Arrival Information

It's best to arrive on the actual start date. There's no activities on the first day, so you can arrive at any time. If you do arrive early, we'll still pick you up from the airport and will book you into our hotel from the day you arrive. Extra nights will be approx. £40 / \$70AUD per night for a twin room and can be pre-paid with your agent or paid on arrival.

After Bali Experience

The Bali Experience 12 day finishes in Ubud and the Bali Experience 15 day finishes back in Seminyak. You can choose to stay on longer in Bali or if you need to get back to the airport then it's a simple taxi transfer that will take around 1- 1.5 hours. The earliest we recommend booking an onward flight out of Bali is around 1pm on your final day.

Your Group Leader will ensure any other local transport is sorted and you are comfortable with all parts of your trip and your onward travel.

Travel Insurance

Travel Insurance for Bali is compulsory to join Bali Experience. Your Group Leader will ask to see proof of your cover before your trip begins. You can organise a quote and policy for yourself here: www.introtravel.com/travel-insurance

Visas

Most nationalities including the UK, Europe, Australia, NZ, Canada, US, Scandinavia and Brazil will usually receive a 30-day visa on arrival in Bali. This visa will be free for most nationalities and at a cost of approx. \$35USD for others. We recommend checking with your local Indonesian consulate for up to date visa requirements and costs. If you need any further help with visas just contact us.

FAQ's

Do many people travel alone?

Yes. Lots of people who go to Bali are travelling solo. But by doing Bali Experience you'll be part of a group, so it's a great way to meet and make friends!

When is the best time to visit Bali?

The great thing about Bali is it's usually quite hot all year round, so it's great to go at any time. There are generally two broad seasons in Bali. April to September is usually dry and hot. October to March is slightly cooler with a slightly higher chance of rain, but this rain is often in short bursts, which can be a nice relief from the heat.

How much spending money will I need?

All your activities, accommodation, transport and most meals are included, so you'll just need money for any extra meals, drinks, shopping and any onward travel. We recommend you bring at least £300 / \$500 spending money.

How will I access money while I'm away?

It's best to take a Visa or Master Card debit, credit or travel money card. There are ATM's available throughout Bali so it's easy to get access to cash. Some places accept credit card but not all.

Is there Wi-Fi throughout the trip?

All accommodations we stay at have free Wi-Fi available. Indonesia's network quality is often lower than you're used to, but you can generally connect and do basic stuff.

What luggage do you recommend?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Bali so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed.

What plugs do they use in Bali?

Bali and the rest of Indonesia generally use a round 2 pin socket the same as most of Europe. It's always best to grab yourself an appropriate adaptor if needed before you go.
