FAQ's

When is the best time to visit Bali?

The great thing about Bali is it's usually quite hot all year round, so it's great to go at any time. There are generally 2 broad seasons in Bali. April to September is usually dry and hot. October to March is slightly cooler with a slightly higher chance of rain, but this rain is often only for an hour or so, which can be a nice relief from the heat.

Do many people travel alone?

Yes. Lots of people who go to Bali are travelling solo. But by doing Bali Experience you'll be part of a group, so it's a great way to meet and make friends!

Can I chat to my group before I leave?

Yes! Once you've booked and before you travel we'll help put you in touch with the rest of your group so you can start chatting and getting to know each other.

What vaccinations will I need for this trip?

Deciding whether to get vaccinated before you travel is a personal choice. There are no mandatory vaccinations for any of our destinations and all areas we travel to are very low risk. If you're unsure or need advice we recommend visiting your local GP or checking out this [link](#).

How much spending money will I need?

All your activities, accommodation, transport and some meals are included, so you'll just need money for any extra meals, drinks, shopping and any onward travel. We recommend you bring at least £300 / \$500 spending money.

How will I access money while I'm away?

It's best to take a Visa or Master Card debit, credit or travel money card. There are ATM's available throughout Bali so it's easy to get access to cash. Some places accept credit card but not all.

Is there Wi-Fi throughout the trip?

All accommodations we stay at have free Wi-Fi available. Indonesia's network quality is often lower than you're used to but you can generally connect and do basic stuff.

What luggage do you recommend?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Bali so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed.

What plugs do they use in Bali?

Bali and the rest of Indonesia generally use a round 2 pin socket the same as most of Europe. It's always best to grab yourself an appropriate adaptor if needed before you go.

That's about it for now. Once you've booked you'll get access to our online Check In Area and the Intro Travel App, which will give you all the information you'll need on Bali and Bali Intro, so you can just relax and enjoy the experience.
